- Please indicate the level of home repair you feel your team can undertake.
 - A **LIGHT** house may need some scraping, painting, and cleaning. It may need some weather-stripping or light repair work. It can be staffed by unskilled volunteers and a handyman. A light house can be completed in one day.
 - A **MEDIUM** house needs a knowledgeable Skilled Captain. It may need painting, as well as minor carpentry, electrical, or plumbing work. It may require one or several skilled people. A medium house can be completed in one day; however, it may need some preparatory work prior to Work Day.
 - A **HEAVY** house needs a substantial amount of work, requiring several skilled people. The Skilled Captain should be prepared for a major work load. It may require an advanced crew or a second crew.
